

Van Horn Public Library Strategic Plan 2020 - 2022

Community Engagement Focus Area

Goal: The Library engages the community in developing and promoting resources and partnership opportunities

Objectives:

1. Expand Community Partnerships
2. Provide Volunteer opportunities
3. Increase visibility of library programs and services in the community

Programming Focus Area

Goal: The Library provides programming that reflects and responds to community needs

Objectives:

1. Enhance adult programming
2. Enhance youth programming

Space Focus Area

Goal: The Library provides a welcoming and functional environment

Objectives:

1. Review and update library environment to maximize its potential for patron use
2. Ensure that the library building and grounds are welcoming to all

Access Focus Area

Goal: The Library provides access to collections that meet the needs of the community

Objectives:

1. Enhance physical and digital collections
2. Review library policies that affect access to library collections
3. Review library hours of operation

Structure Planning Focus Area

Goal: The Library is prepared to meet future community needs for library service

Objectives:

1. Determine future library needs
2. Determine future library building needs
